The FEC has incorrectly designated Make DC Listen PAC as an Independent Expenditures Only PAC. That is not accurate. Make DC Listen PAC filed its Statement of Organization on 11-26-2014, which was NOT accompanied by a letter stating its intent is to make independent expenditures only. In fact, that is NOT the intent of this PAC. This is a standard, non-connected PAC, which will qualify as a multi-candidate PAC on 5-26-14, and will file its Form M at that time. We have attempted over the past two weeks to get the public record corrected regarding the status and purpose of Make DC Listen PAC. It is NOT an IE only PAC and we will appreciate your correcting the inaccurate designation on the FEC website. Please contact me if you have questions. Paul Kilgore, Treasurer
